

Emergency Medicine Physicians – Trenton Memorial Hospital

The Division of Emergency Medicine at Quinte Health Care Trenton Memorial Hospital is seeking additional emergency medicine physicians.

The Trenton Memorial Hospital Emergency Department (TMH ED) sees over 34,000 cases annually and has a dynamic team of physicians and staff.

The hospital has full PACS capabilities and there is an on-site CT scanner. Physicians have access to an MRI at the Belleville General Hospital site, as well as 24-hour support from family medicine, internal medicine, intensive care, general surgery, orthopaedics, urology, pediatrics, anesthesia, obstetrics and gynaecology, psychiatry, otolaryngology, and radiology.

We are looking for emergency physicians with CCFP-EM or FRCPC-EM designations and/or extensive emergency medicine experience. Physicians with CCFP who have considerable emergency medicine experience and interest will also be considered. Applicants must be current with ACLS and ATLS certifications and have a valid license with CPSO.

The TMH ED utilizes nurse practitioners for 12 hours a day and dual physician coverage for 9 hours a day to assist with patient volumes and ensure timely patient throughput.

The Trenton Memorial Hospital Emergency Department is part of an Alternate Payment Plan so physicians are paid in accordance with this agreement.

Emergency Medicine physician opportunities are also available at our QHC North Hastings Hospital and our QHC Belleville General Hospital, with physicians, if interested, able to work at more than one site. Emergency Medicine work can also be easily combined with Family Medicine opportunities.

Quinte Health Care

Quinte Health Care has 1,800 staff members and 320 medical staff who provide a wide range of high quality health care services to a region of 160,000 residents. Care is provided through four hospitals – QHC Belleville General Hospital, QHC North Hastings Hospital, QHC Prince Edward County Memorial Hospital and QHC Trenton Memorial Hospitals – and includes four emergency departments, operating rooms at three sites, inpatient services (including acute medicine,

intensive care, obstetrics, paediatrics, mental health, complex continuing care, rehabilitation and surgery), a rehabilitation day hospital, children's treatment centre, ambulatory care clinics, community mental health programs, and a range of diagnostic services.

The Quinte area is in south-eastern Ontario. Our hospitals are located in Belleville, Picton, Quinte West (includes Trenton and Brighton), and Bancroft. The area includes some of the most diverse and beautiful countryside in Ontario. From the lakes of Bancroft down to the wine country, picturesque towns, and Sandbanks beach of Prince Edward County, and through the more urban Belleville/Quinte West/Brighton corridor alongside Lake Ontario, almost every lifestyle interest can be found within the communities served by QHC. The region offers low cost of living, affordable homes, and excellent schools as well as quality local theatre, shopping and restaurants. Belleville and Quinte West are located along the highway 401 corridor, and Toronto, Ottawa, Montreal, and Kingston are all easy driving distance.
