STROKE UPDATE**

Tuesday, November 24, 2015
4:45 pm – 8:00 pm
(4:45pm-5:15pm DINNER)
(5:15pm-8:00pm PRESENTATIONS)

Linguine's Italian Restaurant
257 North front St.
Belleville, ON
Ph: 613-962-5444

The program meets the accreditation criteria of the College of Family Physicians of Canada and has been accredited for up to 2.75 MAINPRO-M1 credits.

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and is approved by Queen's University (Maximum number of hours 2.75).

TARGET AUDIENCE

This workshop is intended for Physicians working in Family Medicine, Internal Medicine, Emergency Medicine, Radiology, and Intensive Care (Internists & Intensivists) at all Quinte Health Care hospitals.

PROGRAM OBJECTIVES

This workshop supports the application of Stroke Best Practices in acute care. Through review of best practices and complex case studies, you will have the opportunity to:

- Describe how stroke/TIA care in the ED and acute care settings improves patient outcomes
- Describe skills to support best practice (e.g. prevention and management of complications (i.e. seizures, BP, glucose, etc.), management/investigation of high risk TIA management of hemorrhagic stroke, medication review (i.e. antiplatelet and anticoagulants) and young strokes with no risk factors
- Describe how Acute Stroke Unit care aligns with the Quality Base Procedures (QBP) to support hospital funding
- Explore and identify ways to support, refine and enhance the QHC process of ED/Acute Stroke care
- Engage in practical, interactive and problem solving approaches to learning about stroke care

WORKSHOP AGENDA

- 1645-1715 Dinner**
- 1715-1730 Welcome & Introduction**
Dr. Leandra Grieve
Melissa Roblin
- 1730-1755 Management & Investigation of High Risk TIA**
