## Locum Opportunities at Trenton Memorial Hospital – Emergency Medicine July and August, 2021

Come and spend some time in beautiful Quinte West this summer! Located just two hours east of Toronto, Quinte West is home to beautiful lakes, boating, trails, provincial parks, craft beer, and so much more!

The Division of Emergency Medicine at Quinte Health Care Trenton Memorial Hospital (TMH) is seeking additional emergency medicine physicians for locum work in July and August. Accommodation provided. The TMH Emergency Department is part of an Alternate Payment Plan, so physicians are paid in accordance with this agreement. Hourly rates range from \$150-\$210 per hour depending upon type of shift worked.

The Trenton Memorial Hospital Emergency Department sees over 26,000 cases annually and has a dynamic team of physicians and staff.

The hospital has full PACS capabilities and there is an on-site CT scanner. Physicians have access to an MRI at the Belleville General Hospital site, as well as 24 hour support from family medicine, internal medicine, intensive care, general surgery, orthopaedics, urology, pediatrics, anesthesia, obstetrics and gynaecology, psychiatry, otolaryngology, and radiology.

We are looking for emergency physicians, with a valid license from CPSO and either **CCFP-EM** or **FRCPC-EM** designations. Applicants must be current with ACLS, ATLS, and PALS certifications and be eligible for licensure in the Province of Ontario.

Emergency Medicine physician opportunities are also available at our QHC Belleville General, North Hastings, and Prince Edward County Memorial Hospitals, with physicians, if interested, able to work at more than one site. There may be opportunities to combine Emergency Medicine work with Family Medicine.
